

MASSAGE THERAPISTS AND BODYWORKERS

You are invited and encouraged to come to

WV MASSAGE GATHERINGS

“What are Gatherings?” you ask. Well...

It's not a club, there are no memberships, no dues, nothing like that. It's just colleagues getting together over good food to share ideas, ask questions, refer clients, talk about continuing ed and available office opportunities, and to meet one another. We'll discuss anything you want to talk about. Oh, and have fun! There's a lot of that. All bodyworkers are welcome at Gatherings – *students as well!* There are usually hundreds of hours of experience and tens of thousands of massage sessions talking around the table. Bring yours to the table with the rest of us!

We gather informally on the 15th of each month (unless that's on a weekend), alternating breakfast and supper each month in various restaurants in Harrison, Marion, or Monongalia counties. The schedule can be found here:
